

Curriculum vitae

Andreas Brandl, M.D., F.E.B.S. (surgical oncology)
Digestive Surgeon & Peritoneal Malignancies

Date of Birth: 13th June 1980
Birthplace: Neustadt an der Aisch, Germany
Personal Data: married, two children
wife: Marcia

German Citizen.

Languages: German (native). Fluency in English. Intermediate in Portuguese

Education

- 1999 Abitur (German high school graduation exam)
at the Gymnasium Kirchheim b. München, Germany
- 2001 – 2007 M.D. program at the Technical University Munich Medical School, Germany
clinical traineeship i.a. at Royal Brisbane and Women's Hospital, Brisbane, QLD,
Australia and Universitätsspital Zürich, Switzerland
- 2007 German Boards Certification as Physician
- 2008 Experimental Doctoral Thesis:
"cellular processing and release of TNF-alpha"
Supervisor: Prof. Dr. Dr. B. Becker, Grade: *magna cum laude*
- 2014 Specialist for Visceral Surgery
- 2014 organ procurement surgeon (liver, pancreas, kidney)
- 2018 Specialist for Special Visceral Surgery
- 2018 UEMS board certification *Surgical Oncology*
- 2019 European Certification of Peritoneal Surface Oncology

Career history

- 1/08 – 11/11 Residency, Dept. of General, Visceral, Thoracic and Vascular Surgery
Hospital of Garmisch-Partenkirchen, Germany,
Heads of Department: PD Dr. med. H. Vogelsang, Dr. med. S. Nöldeke
- 12/11 – 12/14 Residency, Dept. of Visceral, Transplant and Thoracic Surgery
Medical University Innsbruck, Austria
Director: Univ.-Prof. Dr. med. J. Pratschke

- 02/15 – 12/18 Attending Surgeon, Dept. of Surgery
Charité – Universitätsmedizin Berlin, Campus Mitte and Campus Virchow-
Klinikum, Berlin, Germany
Director: Univ.-Prof. Dr. J. Pratschke
- 07/16 – 12/18 Deputy Head of the center of peritoneal surface malignancies
Charité – Universitätsmedizin Berlin, Campus Mitte and Campus Virchow-
Klinikum, Berlin, Germany
Head: Prof. Dr. med. B. Rau
Director: Univ.-Prof. Dr. med. J. Pratschke
- 10 – 12/17 Short Clinical Fellowship
Peritoneal Malignancy Institute, Basingstoke and North Hampshire Hospital,
United Kingdom
Director: Tom Cecil, M.D., FRCS
- 10 – 11/18 Short Clinical Fellowship
Peritoneal Metastasis Center, Kishiwada Tokushukai Hospital, Osaka, Japan
Director: Yutaka Yonemura, M.D., Ph.D.
- Since 01/19 Consultant Surgeon, Digestive Unit
Fundação Champalimaud, Lisbon, Portugal
Director: Carlos Carvalho, M.D.
- Since 10/17 Steering committee member; ESSO Young Surgeons and Alumni Club (EYSAC)
Focus: peritoneal surface malignancies and education
- Since 05/18 Congress committee member (EYSAC representative)
European Society of Surgical Oncology (ESSO)
- Since 10/20 Chair ESSO Young Surgeons and Alumni Club (EYSAC)
- Since 10/20 Member of the Board of Directors
European Society of Surgical Oncology (ESSO)
- Since 05/19 Management Committee, National Delegate Portugal
Cost Action 17101 - European Network on Pseudomyxoma Peritonei
- Since 03/21 Workgroup Leader (Data Standardization)
Cost Action 17101 - European Network on Pseudomyxoma Peritonei

Clinical Interests

Gastrointestinal Oncologic Surgery
Peritoneal Surface Malignancies

Research Projects

Molecular mechanism of peritoneal metastases of GI cancer (translational)
development of novel regional treatment regimen for peritoneal metastases of gastric cancer
(translational)

Publications (selection from 69 in total)

- The efficacy of treatment options for patients with gastric cancer and peritoneal metastasis
Rau B*, **Brandl A***, Thuss-Patience P, Bergner F, Raue W, Arnold A, Horst D, Pratschke J, Biebl M
Gastric Cancer, 2019, Nov;22(6):1226-1237
- Peritoneal Metastasis in Gastric Cancer: Results from the German Database
Rau B*, **Brandl A***, Piso P, Pelz J, Busch P, Demtröder C, Schüle S, Schlitt HJ, Roitman M, Tepel J, Sulkowski U, Uzunoglu F, Hünerbein M, Hörbelt R, Ströhlein M, Beckert S, Königsrainer I, Königsrainer A for the Peritoneum Surface Oncology Group and members of the StuDoQ|Peritoneum Registry of the German Society for General and Visceral Surgery (DGAV)
Gastric Cancer, 2020, 23:11–22
- A model for peritoneal mesothelioma management: clinical and surgical outcomes of 155 patients treated on the basis of a monthly video-conferencing national multi-disciplinary team decision meeting
Brandl A, Westbrook S, Nunn S, Arbuthnot-Smith E, Mulsow J, Youssef H, Carr N, Tzivanakis A, Dayal S, Mohamed F, Moran BJ, Cecil T
BJS Open, 2020 Apr;4(2):260-267
- Long term survival in patients with peritoneal metastasized gastric cancer treated with cytoreductive surgery and HIPEC: A multi-institutional cohort from PSOGI
Brandl A, Yonemura Y, Glehen O, Sugarbaker PH, Rau B
Eur. Journal of Surgical Oncology 2021, Jan 1; 47(1):172-180

Presentations (Selection from 118 in total)

- Predictive value of Peritoneal Cancer Index for survival in patients with mucinous peritoneal malignancies – a single center experience
Brandl A, Weiss S, von Winterfeld M, Krannich A, Feist M, Pratschke J, Raue W, Rau B
23rd Annual Meeting ESA 2016, Edinburgh, Scotland
- Early Outcomes from a Monthly International Peritoneal Mesothelioma Multi-Disciplinary Team Meeting in the UK and Ireland
Brandl A, Govaerts K, Yershov D, Plastiras A, Nunn S, Dayal S, Mohamed F, Moran BJ, Cecil TD
14th International Conference of the International Mesothelioma Interest Group (iMig 2018), Ottawa, Canada
- Preoperative predictors for overall survival in patients with peritoneal metastases of gastric cancer and complete cytoreduction and hyperthermic intraperitoneal chemotherapy
Brandl A, Fehrenbach U, Arnold A, Thuss-Patience P, Raue W, Jara M, Feldbrügge L, Biebl M, Pratschke J, Rau B
ESSO39 Rotterdam, Oct 2019, Netherlands
- The efficacy of treatment options for patients with gastric cancer and peritoneal metastasis
Brandl A, Thuss-Patience P, Biebl M, Bergner F, Raue W, Arnold A, Horst D, Jara M, Pratschke J, Rau B
International Gastric Cancer congress 05/2019, Prague, Czech Republic

Student Mentoring

Completed thesis

- Philipp Stolzlechner, MD, 01/2015: Liver grafts from anti-HBc Positive Donors are safe for anti-HBc negative recipients in liver transplantation using combined antiviral prophylaxis, Grade: *summa cum laude*
- Matthias Pemler, MD 03/2015: Outcome of liver transplantation with a particular focus on biliary reconstruction, Grade: *summa cum laude*
- Theresa Kratzer, MD, 12/2016: Diverticulitis in immunosuppressed patients
Grade: *magna cum laude*

Reviewer of Journals (Selection)

British Journal of Surgery, European Journal of Surgical Oncology, Journal of Surgical Oncology, Langenbeck's Archive of Surgery, Colorectal Disease, International Journal of Surgery ...

Society Memberships

Deutsche Gesellschaft für Chirurgie

Bund Deutscher Chirurgen (BDC)

Deutsche Gesellschaft für Ultraschall in der Medizin (DEGUM)

Deutsche Gesellschaft für Allgemein- und Viszeralchirurgie (DGAV)

European Society of Surgical Oncology (ESSO) – Board Member, EYSAC Chair (membership nr: 8395)

International Society for the study of Pleura and Peritoneum (ISSPP)

Grants & Fellowships

- Novartis Poster grant (co-author), Austrotransplant 2012, Rust, Austria
- ESSO standard fellowship grant 2017
- „Best Poster“ grant (first author), Deutscher Chirurgenkongress 2018, Berlin, Germany
- Annual travel grant of the „Deutsche Gesellschaft für Allgemein- und Viszeralchirurgie“ (DGAV) 2018
- „Best Abstract“ (first author), 20th Conference of Lung Cancer Nursing UK 2019, London, U.K.

Lisbon, 31st March 2021
